ON ARRIVAL

On arrival, Mrs Catherine Gibbons will welcome you & your group. In the shop, payment will be taken and you will be provided with all information about the facilities on site.

ACCESS INFORMATION

If a member of your group is in a wheelchair, we can meet them in the car park with a car in order to drive them into the courtyard where the entrance to tearoom & house are more easily accessible. The ground floor of the house is accessible although the second floor is accessed by a short stone spiral staircase or a straight wooden staircase and is therefore not suitable for wheelchair users.

There is no charge for visitors who cannot access all facilities.

Toilets for the disabled are located in the courtyard.

WHEELCHAIR & SCOOTER AVAILABILITY

A wheelchair for use in the house and an electric scooter for use in the garden are available on a first come first served basis. To pre-book, please contact Mrs Catherine Gibbons on 017684 86450.

HOUSE TOURS

Your party can choose to have a guided tour (50pence extra cost per person) or to visit the house at their own pace and ask questions of the guides in the house.

A guided tour can accommodate a maximum of 16 people so larger groups would need to split into smaller groups.

If there is a subject that your party is particularly interested in, if you let us know in advance, the guide can highlight specific relevant aspects during the tour.

CATERING

Our licensed tearoom in the Mediaeval Old Hall serves food & refreshments on a counter system basis between 10.30am and 5.00pm.

You can pre-book meals if your party would like to eat together. We can accommodate a maximum of 45 people at one time.

PARKING

Ample free coach parking is available in our main car park.
